

Total Arts Day Camp, Summer Internship 2024

TADC Students and Guest Artist, 2023

Description

In this internship, you will assist the Total Arts Day Camp team with tasks related to running week-long summer art camps for children at Rochester Art Center in Rochester, Minnesota. Total Arts Day Camp (TADC) is one of the longest running youth arts programs in the state, initiated in 1971. [Total Arts Day Camp 2024](#)

Goals

- Learn about the planning and implementation of art museum programming
- Gain an understanding of arts education and community arts programs
- Get hands-on experience with students in an art studio/classroom setting
- Give interactive, age-appropriate gallery tours to art camp participants
- Work with artists and art educators to promote appreciation for the arts

Outcomes

Interns can expect to:

- Work closely with TADC instructors, guest artists and museum staff to prepare for and facilitate art activities
- Learn about works of art exhibited at Rochester Art Center during the internship period and give children's tours as needed
- Supervise and encourage TADC participants during camp activities
- Complete various other assigned museum education and program-related tasks
- Complete a one-page reflection on the experience at the end of the internship

What our former interns/externs say about their experience:

"This was an incredible experience and introduction to an entire field of work that I am now even more interested in having completed this externship."

Carleton College Extern, Winter 2023

"We had an amazing time working at TADC and helping around the Art Center. (The Education and Community Outreach Coordinator)'s enthusiasm for arts education has inspired both of us and strengthened our desire to pursue careers in the arts!"
